The Saskatchewan Wildlife Federation is happy to announce the successful results of our first online raffle featuring one custom built Shiloh Sharps Model 1874 Quigley Rifle 45-70, a Winchester 30-06, an APA Mamba Air TF Bow, and a 50/50 add-on.

The main raffle raised over \$30,000 for the Habitat Trust Program, which acquires and enhances habitat for wildlife across Saskatchewan. An additional \$10,000 from the 50/50 will go towards other SWF conservation programs. “On behalf of the Saskatchewan Wildlife Federation, I would like to thank everyone for purchasing tickets on the raffle. The support from SWF members and outdoor enthusiasts is what helps to ensure the wild life legacy we leave to our children surpasses that which we inherited,” stated Darrell Crabbe, SWF Executive Director.

We would like to give a special note of thanks to the Weyburn Wildlife Federation for sponsoring the 1st Prize of the Shiloh Sharps Quigley Rifle. Congratulations to our winners, who were drawn Thursday August 15, 2024!

BRANCH GUIDELINES FOR RESOLUTIONS

SWF Resolution Criteria

Resolutions shall be classified as:

- * **Regular** – must be drafted, passed, and recorded in the minutes of the branch meeting, and then forwarded/presented to a Regional Meeting. It must pass by a two-thirds majority vote at a Regional Meeting and be forwarded to the SWF's Central Office within 30 days of the Regional Meeting to be presented to the Annual Meeting.
- * **Board** – special resolutions or motions may be presented to the Annual Meeting by the Board of Directors, without prior notice, provided they have the support of the Board.
- * **Emergency** – An “emergency” resolution is defined as a resolution that has not been brought forward and passed at a regional meeting. The SWF Board of Directors will determine if the resolution is in fact an emergency. An emergency resolution brought to the floor must receive two-thirds majority approval for presentation. If the delegates give two-thirds majority approval, the resolution is presented the same as Regular or Board resolutions, and may be passed, lost or tabled as the delegates see fit.

All resolutions must meet the following criteria as determined by the Resolutions Committee:

- * Be consistent with the SWF's goals, aims, and objectives.
- * Be relevant to current or future SWF issues. •Not be discriminatory or slanderous in nature.
- * Not be of a purely local nature.

Branches and/or Regions have the following options to deal with local issues (i.e. pertaining to local area/ waterbody/ particular WMZs, etc.)

- * Draft and pass, with a majority vote, a Motion at the branch level, forwarding it for consideration to the SWF Central Office to be dealt with in a timely manner.
- * Draft and pass, with a majority vote, a Motion at the branch level, presenting it to the Regional Meeting, and if passed by a majority vote at the regional level, forwarding it for consideration to the SWF Central Office to be dealt with in a timely manner.
- * Draft and pass, with a majority vote, a Motion at the regional level, and if passed, forwarding it for consideration to the SWF Central Office to be dealt with in a timely manner.

HOW TO WRITE A RESOLUTION

1. Decide what the final result is that you want to accomplish through the resolution, i.e. the “Be it resolved”. It should be clear, concise and to the point in as few words as possible. All explanation should be done in the preamble, not in the final resolution.
2. The resolution, if directed at the government or a group outside the Saskatchewan Wildlife Federation, cannot give direction for the SWF to “lobby”. “Strongly urge” or other such statements are recommended.
3. Once the final direction is decided upon, the preamble (“whereas”) shall be listed in order to give an explanation and reasons behind the resolution. Keep in mind that voting delegates may not be familiar with what the resolution is about, and therefore it is important that the preamble contain enough pertinent information to enable them to vote knowledgeably.
4. Each point in the preamble should be a separate “Whereas”, and should also be clear, concise and to the point in as few words as possible.
5. Any facts or statistics used in the preamble must be truthful and accurate.
6. All resolutions must be consistent with the Saskatchewan Wildlife Federation's goals, aims, and objectives and be relevant to current or future SWF issues.
7. Resolutions must not be slanderous or discriminatory in any way.
