## Backyard Biodiversity CHALLENGE

Beautiful native wild flowers are not only tough and perfectly adapted to life on the prairies, they are also a haven for bees and other pollinators that play an important role in our prairie ecosystem.

Add a pop of colour to your yard and support native pollinators all at the same time with our Backyard Biodiversity Challenge!

For more information, or to sign up for a package of native wildflower seeds, visit <https://swf.sk.ca/backyard-biodiversity-challenge/>
