

PARKLAND OUTDOOR

Show and Expo

Presents:

ACCESS TO THE OUTDOORS

The Access to the Outdoors will provide an outdoor adventure to one lucky youth outdoorsman/woman with physical disabilities that restrict their current outdoor possibilities. Working alongside our sponsor Eagle West Resort and in association with the Saskatchewan Wildlife Federation we will provide the winning youth (6-15 years old) with an accessible angling adventure of a lifetime. The lucky applicant will have the opportunity to catch trophy musky, lake trout, walleye, smallmouth bass and northern pike. Expertise and accommodations will be provided for the youth as well as their parents. The Access to the Outdoors program will be asking each applicant to describe their passion for the outdoors and what this trip would mean to them.

The recipient of the Access to the Outdoors 2015 angling adventure will be announced live at the Parkland Outdoor Show and Expo.

For Details and Application forms please go to:
