## A Message from Our Executive Director

**SASKATCHEWAN  
WILDLIFE  
FEDERATION**

The Board of Directors and Staff want to thank all of the Branch Executives for your outstanding efforts in response to the unfortunate realities we now face in the fallout from the Covid-19 Pandemic.

Dozens of events hosted by our Branches have either been cancelled or postponed, which will undoubtedly impact our local and provincial programs for the foreseeable future. However, we are confident that we can continue to support to our Branches and members while providing all of our programs.

We are using this time to review our existing programs and initiatives, and to research innovative opportunities for our Federation to continue to prosper in the months ahead.

Again, our sincere appreciation for all that you do for the SWF and our wildlife and fisheries resources!

Darrel Crabbe,  
Executive Director
