Regional Meetings Update

Our upcoming Fall Regional Meetings will be held online via Zoom. Meetings will still be comprised of reports from central office and interaction with the ministry of environment, but with several added benefits:

- Removing major barriers of meeting attendance (time & cost of travelling), providing opportunity for branches that haven't been able to attend to have a voice
- Freeing up time during a busy time of year (harvest, hunting)
- Potentially engaging new branch members

All participating branches will receive a fundraising item and line card to help offset some of the impact of Covid-19.
