

BRANCH MONTH END

In Memory

It is with heavy hearts that the family of **ED BEGIN** announce his passing on April 27, 2021.

Ed worked for the SWF for 28 years, as the Executive Assistant from 1970 - 1973, and then the Executive Director until he retired in 1998.

(see Pg 7 for an excerpt from his obituary)

Habitat Trust Golf
Tournament
has unfortunately been
cancelled for 2021.

We are looking forward to seeing everyone back in 2022!

Outdoor Conservation Camps

A decision on whether or not the camps will go forward for 2021 will be made by **mid May**. Notifications will be sent out to all branches at that time.

Mike Haydon - Swift Current Branch

IMPORTANT HIGHLIGHTS

- √ We bid Chelsea Walters a fond farewell and welcome our new Director of Communications (see Pq 2)
- ✓ Our Backyard Biodiversity Challenge has returned for 2021. Click here to get yourself some free native wildflower seeds and to take part in the challenge.
- ✓ SWF has 5 pond dipping kits at the Palliser Regional Library to be rented out throughout their library network.
- ✓ Government replies to resolutions passed at the 2021 Convention are attached (see Pgs 3-4)
- ✓ Check out the 2020 Henry Kelsey and Provincial Angling Awards presentation on the SWF web site (by mid May)... (https:// swf.sk.ca/programs/awards)
- ✓ Thanks to all the branches for submitting their memberships in April - we are back above our totals for last year at this time - well done! Remember that sold memberships must be turned into SWF Central Office at least once a month. Cut-off for the July/ Aug Outdoor Canada magazine is May 15th.

2021 CALENDAR OF EVENTS

| Apr 30-May 7 | Preeceville Wildlife Federation's online auction |
|--------------|---|
| May 5 | Angling Season Opens - Southern Zone |
| May 15 | Angling Season Opens - Central Zone |
| May 25 | Angling Season Opens - Northern Zone |
| June 12 | Moose Jaw Wildlife Federation Annual Walleye Tournament |
| June 13 | Lake Diefenbaker Walleye Classic |
| July 10 | 3rd Annual Sporting Clay Shoot @ Hanley in support of SWF |
| | Education Programs |

Remember to submit your branch events to be posted on the website! Email Dianne at sask.wildlife@swf.sk.ca, and be sure to visit the calendar of events page on our website for further event details: http://swf.sk.ca/events

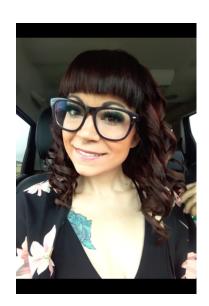

SWF Director of Communications

Chelsea Walters has left our ranks to take a position with the Ministry of Environment. She did an excellent job and took the SWF communications to a new level over the last 4 years. We will miss her smiling face and wish her all the best in her future endeavours.

We would like to introduce our new Director of Communications, starting May 17/21 - Courtney Devins.

Courtney was born and raised in Saltcoats, SK. They are a hunting and fishing family, so typically love to get out to Lake of the Prairies, Last Mountain Lake and Buffalo Pound on their weekends for outdoor activities.

We look forward to getting to know Courtney more in the next few months and are excited to welcome her to the SWF family - welcome aboard Courtney!

APR 1 2 2021

Darrell Crabbe Executive Director Saskatchewan Wildlife Federation (sask.wildlife@swf.sk.ca)

Dear Darrell Crabbe:

Thank you for your letter regarding resolutions passed at the 2021 Saskatchewan Wildlife Federation (SWF) annual convention. I am pleased to offer the following responses:

1. First-Time Youth Hunters Entering the Big Game Draw

Be it resolved that the SWF request that first-time youth hunters entering the Big Game Draw, who apply as single applicants, be placed into A Pool.

The ministry recognizes the vital role of youth hunters in the province. Beginning at age 12, youth who have completed a recognized hunter education and firearm safety course are able to acquire a number of hunting licences. This includes all regular season hunting licences and also the opportunity for youth to hunt big game and game bird with their parents or guardians. For eithersex white-tailed deer and game bird, youth licences are available at a reduced price.

The big game draw process is used to allocate the province's premiere hunting opportunities. These are highly valued by hunters, and applicants frequently far exceed the number of available licences by a significant margin. This has resulted in a highly competitive draw and long wait times for applicants to be successfully drawn. For antierless mule deer, 25 per cent of the quota is allocated specifically to youth through the youth draw. This option gives youth opportunities with increased likelihood of being drawn. With these considerations, there is no current consideration to change the starting priority status for new youth applicants.

2. Draw Antlerless Mule Deer

Be it resolved that the SWF petition SK Ministry of Environment to move draw antlerless mule deer to a regular antlerless mule deer season for Saskatchewan residents only, to coincide with regular whitetail deer seasons.

. . . 2

Darrell Crabbe Page 2

APR 1 2 2021

A recent analysis of antlerless draw mule deer seasons and allocation across Saskatchewan found the current draw system is working as desired in the majority of zones across the province, where demand for draw antlerless licenses outweighs the number of licences available. However, in those zones where the number of draw licences available has outweighed demand for consecutive years, the ministry is considering options to allocate licences outside of the draw system. Season dates will be set in accordance with the existing game management frameworks.

3. Two-Bear Season

Be it resolved that SWF petition SK Ministry of Environment to implement at two (2) bear season in all applicable zones, including the forest zones.

The Ministry of Environment added a second black bear licence for Saskatchewan residents in many agricultural and forest fringe wildlife management zones for the 2020 hunting season. In order to properly evaluate the impact of the additional black bear licence, including its effect on populations and hunter utilization, several years of information is typically required. The need for additional data is amplified by the potential for 2020 to have been a unique year, given the COVID-19 pandemic. Ministry of Environment staff continue to evaluate the possibility of enhanced harvest opportunities for black bear while ensuring populations remain sustainable.

I appreciate the opportunity to respond to your resolutions and look forward to working with the Saskatchewan Wildlife Federation to achieve our common goals.

Sincerely,

Warren Kaeding

Minister of Environment

In Memory of ED BEGIN

It is with heavy hearts that the family of Edward Alphonse Begin, (1932 – 2021) announce his passing at the age of 88 on Tues. April 27, 2021.

He will be lovingly remembered by his wife, Shirley of 64 years; son, Rod (Helen); daughters, Shelly (Ben Dombowsky), Susan (Seth Larson), grandchildren and great-grandchildren, and many nieces and nephews, life long friends and colleagues.

Ed volunteered with the Moose Jaw Wildlife Federation from 1960-1969. In 1970 he was hired as the Executive Assistant of the Saskatchewan Wildlife Federation and in 1973 he was hired and remained the Executive Director until he retired in 1998.

During his career he was awarded the Ducks Unlimited Canada Conservation Service Award in 1982 for the launching of Heritage Marsh Program, and the CWF Outdoorsman of the Year in 1989. In 1997 he was awarded the Gordon Lund Memorial Conservation Award – presented to the person who, by thought, effort, and deed, is considered to have contributed the most towards the conservation of Saskatchewan's renewable natural resources. In 1998 the Ed Begin Conservation Project Award was established in his honour and is presented annually to an affiliate branch of the SWF for the most outstanding fish or wildlife habitat project completed in the current year.

Ed was an avid hunter and fisher and hosted may hunts in Saskatchewan. Ed's vision and dedication to the SWF and to Saskatchewan's wildlife resource was legendary throughout Canada.

Other than family, few things meant more to Ed than spending time tramping through Saskatchewan's native grasslands chasing his beloved upland game birds. The whirring wings of a busting covey of partridge or the sudden clucking of a flock of rising Sharptails was music to Ed's ears; especially if it was followed by the report of his trusty Smith and Wesson twelve gauge.

His keen marksmanship was talked about by all of those that had the privilege of spending time with him, either hunting upland or big game in the province he so dearly loved. Ed was a gentleman sportsman and a legend in the sporting community.

A service will be announced at a later date when we can gather with family and friends and remember Ed's life.

Donations in Ed's memory can be made to the Saskatchewan Wildlife Federation, 9 Lancaster Rd., Moose Jaw, S6J 1M8, 306-692-8812 or online at swf.sk.ca.

(Condolences can be sent to Shirley Begin, 215 - 1801 Meier Drive, Moose Jaw, SK S6J 0C3)
