## **SWF ANNUAL CONVENTION FUNDRAISING**

The Raffles and Auctions at the SWF convention are an important segment of our annual fundraising, and once again we are seeking generosity from our branches to donate to these efforts. All proceeds from the fundraising evening go directly to the Habitat Trust Fund, Education, and Conservation programs.

We are asking all branches to donate \$50 or more to support the purchase of an item for the raffle tables, and/or \$150 or more for an item for the live or silent auction. If preferred, branches can provide items of their choice for the raffles/auction and bring them to convention. Branches will be recognized for their sponsored/donated items, and will be listed in the evening's program as well.

As in previous years, we will be grouping items together to make a hunting package for one raffle table, a fishing package for another, and a variety of quality items for 4 other tables. In order for us to ensure we have wonderful, full tables, and to make things a little easier on the staff doing the preparations prior to convention, we ask that your branch let us know ahead of time what you will be donating.

If you have any questions, please don't hesitate to contact Dianne at 306-692-8812 or email Central Office at sask.wildlife@swf.sk.ca.

Please complete the form below and return it to Central Office by February 4, 2022.

Thank you for your continued support!!

## Saskatchewan Wildlife Federation 2021 Resolutions to be presented to the 2022 SWF Convention

## 1. ATV RESTRICTIONS - Region 3 (Yorkton)

WHEREAS for many years in certain forest zones, operation of ATVs for the purpose of hunting was prohibited during the morning hours, and

WHEREAS in recent years this rule was removed, allowing for the operation of ATVs at all hours in all forest zones, and

WHEREAS many hunters on foot are negatively impacted when ATVs accessing more remote areas drive past them, or otherwise interfere with their hunt, effectively diminishing the quality and success of their hunt, therefore

BE IT RESOLVED that the MOE instate ATV restrictions in forest zones where ATVs may only be operated between noon and 1 hour before sunrise for purposes related to hunting. Exception: ATVs may be used to retrieve legally killed big game from 1 hour before sunrise until noon provided no firearms are carried on the vehicle.

### 2. TWO-BEAR SEASON - Region 3 (Touchwood Hills)

WHEREAS the number of bears are increasing in the forest and farmland,

BE IT RESOLVED that SWF petition Sask. Ministry of Environment to implement a two (2) bear season in the forest zones for Saskatchewan residents only.

#### 3. ANGLERS / HUNTERS & TRAPPERS GUIDES - Region 4 (Wawota)

WHEREAS not everyone has access to a computer,

BE IT RESOLVED that the Saskatchewan Wildlife Federation encourage the Ministry of Environment to keep on publishing the Anglers and Hunters & Trappers Guides.

#### 4. RESTOCK LAKE TROUT INTO LAKE DIEFENBAKER – Region 5 (Elbow)

WHEREAS Lake Diefenbaker is one of the only southern Saskatchewan Lakes capable of supporting Lake Trout, and

WHEREAS Lake Diefenbaker was successfully stocked with Lake Trout when constructed, and

WHEREAS Lake Trout in Lake Diefenbaker will further increase the sport fishing and recreation activity in and around the lake, therefore

BE IT RESOLVED that the Ministry of Environment implement a continuous stocking program of Lake Trout into Lake Diefenbaker.

### 5. ANGLING AWARDS - Region 3 (River Ridge)

WHEREAS the weighing and/or measuring of fish being entered into local and provincial angling competitions can cause mishandling and severe stress to big fish, and

WHEREAS often the big fish do not survive due to injuries incurred during weighing, therefore

BE IT RESOLVED that SWF research, develop, and adopt a provincial angling awards program that would reduce mortality and enable better handling and safe return of trophy fish to the water.
