Innovative Stocking Method Produces Positive Results

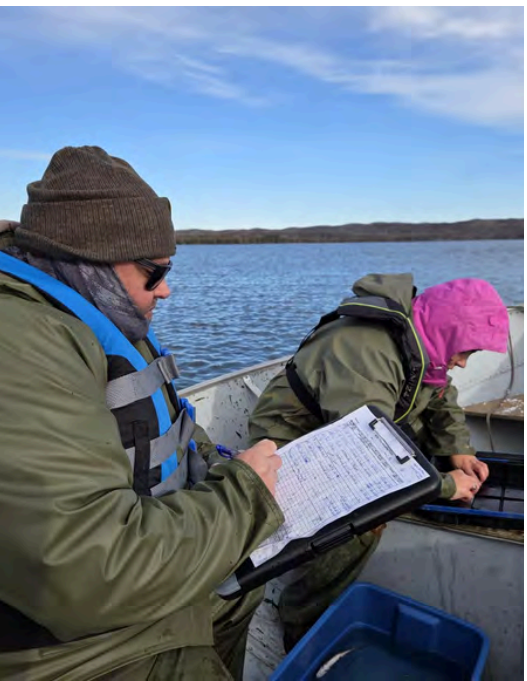

This past spring, Ministry of Environment fisheries staff and the Saskatchewan Fish Hatchery collaborated on a unique fish stocking initiative. In early April, fingerlings were transported from the hatchery and stocked through the ice into selected waterbodies.

This fall, the Saskatchewan Wildlife Federation and the Saskatchewan Fish Hatchery returned to those waterbodies to evaluate the success of the project. Nets were set to capture fish that had been stocked earlier in the year, and the assessment was successful, with several of the stocked fish being recaptured.

This approach may provide new opportunities to stock remote or less accessible lakes that can be reached by snowmobile during the winter, rather than having to fly fish into these locations or potentially not stock these waterbodies.

Changing Seasons

As the seasons change, now is a perfect time to declutter. If you have any unwanted firearms, antlers, or hunting and fishing equipment? Consider donating them to the Saskatchewan Wildlife Federation (SWF) to support habitat for wildlife across Saskatchewan.

Through our Guns for Habitat and Antlers for Habitat programs, your donations will help us purchase and protect critical habitats for future generations—and you'll receive a tax-deductible receipt in return!

SWF Annual Convention Fundraising

The Raffles and Auctions at the SWF Convention are an important segment of our annual fundraising, and once again, we are calling on the generosity of our branches to donate to these efforts. All proceeds from the fundraising evening go directly to the Habitat Trust Fund, Education, and Conservation programs.

We are asking all branches to donate $50 or more to support the purchase of an item for the raffle tables, and/or $150 or more for an item for the live or silent auction. If preferred, branches can provide items of their choice for the raffles/auction and bring them with them to Convention. Branches will be recognized for their sponsored/donated items and will be listed in the evening's program.

As in previous years, we will be grouping items together to make a hunting package for one raffle table, a fishing package for another, and a variety of quality items for 4 other tables. ***As per new regulations*** from Saskatchewan Liquor & Gaming Authority a list of all items (and cost of each item) must accompany our raffle license application.

If you have any questions, please don't hesitate to contact Central Office at 306-692-8812, or email sask.wildlife@swf.sk.ca.

Please complete the form below and return it to SWF Central Office by January 1, 2027 or earlier.

CENTRAL OFFICE

If you've called the Saskatchewan Wildlife Federation with a membership question, chances are you've spoken with one of these wonderful ladies. They work hard behind the scenes to support our members and Branches across the province, and we're pleased to introduce the faces behind the voices! Lisa has now been Dianne's right-hand gal for a year, helping ensure our membership services run smoothly. If you've attended Convention, you'll likely recognize them from the Merch Room, where they're always ready with a smile and a helping hand. We appreciate all they do for the SWF!
